**Register in person on the above date or online at
tusc-challenger**

Our teams are comprised of players with various levels of abilities. From spina bifida to Down syndrome, hearing or sight impaired, a walker or chair, developmental disabilities to ~~autism~~ ADHD. We have players aged from 5yrs. to 62yrs. old. We do make adaptations based on everyone's abilities and needs. We promise a positive experience of personal development through teamwork, developing physical and social skills plus all the benefits of participating in baseball.
